

**VOLLEYBALL**  
**FURTHER CRITERIA DOCUMENT**

The criteria for players to be nominated for a SportsAid grant are typically:

- The athlete has the potential to represent England or Great Britain
- The athlete is expected to progress on to Volleyball England senior academies.
- Selections are made by national coaches, the president of Volleyball England's performance commission, and are coordinated by the talent manager. SportsAid is critical to the Volleyball England talent pathway and helps talented athletes to attain the highest performance level. The England juniors form the core of SportsAid nominees for volleyball.
